CIRCLE DESIGN GROUP
Bringing Buildings to Life for 37 Years

Since 1982, Circle Design Group has been designing building systems that bring buildings to life – with light, water, warmth and safety. You may not see or touch our designs, but they are there for you, hidden away in the walls, ceilings, floors and even outside in the yard or parking lot. Your building needs solid engineering that will last. Your building needs CDG.

Give us a call today and we will engage our talented, professional staff to develop a solution that best fits your needs.

**WHY AIA Indiana?**

- Spending on commercial buildings is forecasted to **increase 4.0 percent** in 2019.

- By the end of 2019, spending on nonresidential buildings is expected to **increase 5 percent** more than the last market peak in 2008.

**Building Barriers. Enhancing Performance.**

With impermeable faces and completely encapsulated, rigid insulation, Metl-Span insulated metal panels provide a weathertight barrier to enhance building performance and protect occupants inside.
