JOB DESCRIPTION:
As a civilian employee of the Navy, the selectee will serve within a multi-disciplinary architectural and engineering team. Projects typically include large, complex projects within the Pacific Northwest. Typical facility types include housing, community support facilities (dining facilities, clubs, fitness centers, child development centers), medical facilities, education/training facilities, maintenance shops, industrial facilities, hangars, administration buildings, operations buildings (command and control centers), and other shore installation facilities.

EEO Policy:
The United States Government does not discriminate in employment on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, political affiliation, sexual orientation, marital status, disability, genetic information, age, membership in an employee organization, retaliation, parental status, military service, or other non-merit factor.

Reasonable Accommodation Policy
Federal agencies must provide reasonable accommodation to applicants with disabilities where appropriate. Applicants requiring reasonable accommodation for any part of the application process should follow the instructions in the job opportunity announcement. For any part of the remaining hiring process, applicants should contact the hiring agency directly. Determinations on requests for reasonable accommodation will be made on a case-by-case basis.
