AIA Lunch & Learn

WHEN: Wednesday, August 8, 2018, 12:00-1:00 PM
WHERE: Hilton Garden Inn
10 East Market St.
Indianapolis, IN 46204

Course Title: Upward-Acting Commercial Sectional Door Systems
AIA Course Number: IPD605
Credit: One (1) AIA HSW Continuing Education Unit
Course Format: Instructor Led

LUNCH WILL BE PROVIDED BY WAYNE-DALTON

LEARNING OBJECTIVES: By completing this course, the design professional will be able to:

▪ Understand how different types and applications of upward-acting, commercial sectional doors help ensure the health, safety and welfare of the building occupants.
▪ Understand performance criteria for commercial sectional doors and how this criterion relates to functionality and use of different types of doors.
▪ Evaluate the key criteria for selecting and specifying commercial sectional doors for various environmental conditions and building design as it relates to the intent of the use of the building by the occupants.
▪ Identify the important recent innovations in the construction and operation of commercial sectional doors, and their impacts on the safety and welfare of the building occupants.
